HON'BLE GOVERNOR'S MESSAGE

Message

I am indeed happy to learn that the Shambhunath Institute of Law, Prayagraj is bringing out its college brochure.

Almost a century ago Mahatma Gandhi wrote, "Education does not merely mean knowledge of letters; but it means knowledge of duty". There is also need to make students aware of their social responsibilities. They should be brought up in such a manner as to develop a commitment to care and help others in the society.

I am sure that the Institute will continue to play its stellar role in imparting education with devotion and dedication to uphold its prestige.

I extend my best wishes on the occasion.
