THE INSTITUTE

Shambhunath Institute of Engineering and Technology is an offshoot of UTTHAN-Centre for Sustainable Development and Poverty Alleviation. UTTHAN is working in the field of Environment, Health and Education. Shambhunath Institute of Engineering and Technology (SIET) is one of the institutes under the aegis of education. SIET is situated in the lush green environment of Jhalwa, 7 Km from Allahabad Railway Station and 1 Km from Bamrauli Airport. The institute is approved by AICTE and is affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. The institute is ISO 9001:2008 certified and is committed to provide quality education. Many dignitaries including former President of India Dr. A.P.J. Abdul Kalam, Prof. Prem Vrat, Vice Chancellor, UPTU, Prof. S.K. Kak, Vice Chancellor, MMTU Noida have visited this institute and expressed their appreciation at the infrastructure and facilities of the institute.

ELECTRICAL ENGINEERING DEPARTMENT

The Department of Electrical Engineering in SIET was started in year 2004. The Department possesses highest placement records and also secures 100% result in the university. The Electrical Engineering Department has well-qualified faculty and technical support staff. The Department has very good infrastructure facilities and all the laboratories of the department are very well equipped with conventional as well as modern equipments and softwares to fulfill the curriculum needs.
