

'Tikona Infinet Private Limited(TIPL), an all India Unified License (ISP, Category-A) holder, granted by the Dept. of Telecommunications, Ministry of Communications, Govt. of India, offers secured wireless broadband services to home and enterprise customers in India's top 25 cities.

The company envisions a powerful Broadband-enabled India and strive to make all possible contribution to make this happen.

By engaging with the best-in-class technology partners, the company would be building a comprehensive services framework that can deliver leading edge voice, video, IT applications and multimedia content services over any broadband or IP-centric network. Such a framework is targeted towards global internet service providers, who desire to offer next generation services to customers.
