

Hi Pankaj Tiwari,

Thank you again for expressing interest in Coursera!

Our mission is to transform lives through learning, and we want to help your students by offering courses online to minimize the impact of the coronavirus on their education. We're excited to let you know that your Coursera for Campus program for your learners is ready and is officially launching today 06/23/2020. You can access your new program(s) [here](#).

The following individual has been provided organization administrator access. They can add additional administrators on your Coursera portal.

Here you can review the program as well as your dashboard settings, and start adding learners from your campus by inviting your learners from the [invitation tab within your program](#). To allow anyone in your organization to join your program with one click, you can also [whitelist your organization's email domain](#).
